

lip defense stick SPF 25/30

Protective, smoothing care for the lips.

- Supports and protects the natural barrier function of the skin's acid mantle
- Without preservatives

Product features:

- Product features:
- Against the irritating, drying effects of environmental influences
- Regenerates dry and chapped lips quickly and effectively, alleviating irritation and inflammation with vitamin E and bisabolol (camomile extract)
- Nurtures sensitive lips with the intensive treatment properties of the essential plant extracts jojoba and rice bran, protecting them from dehydration
- Defends the tender lip tissue with UVA and UVB filters against sun burn and its consequences

Indications:

- Ideal care for dry, chapped lips
- Defends against UV rays
- For all seasons
