

cleansing foam

Intensive, antibacterial and gentle skin cleansing with an anti-pimple effect and intensive care effect with a pH value of 5.5.

- Combats pimples, blackheads and skin impurities

Product features:

- Effectively penetrates the pores for mild pore-deep cleansing
- New antibacterial active ingredient Montaline®C40 is a coconut oil derivative
- Protects against lipid erosion during cleansing, provides a hydrating and smoothing effect
- Panthenol supports the regeneration of the inflamed skin
- Kills bacteria within 5 min.
- Can be used on wet or dry skin
- Noticeable improvement of the " skin feeling" of the complexion
- pH value of 5.5 stabilizes the acid mantle

Indications:

- Especially suited for cleansing in inflamed forms of acne (Papulo-pustulous acne)
- Also recommended for cleansing of dry skin and in adult acne
- Clinically tested

Content: 150 ml

Ingredients:

Aqua, Cocamidopropyl Betainamide MEA Chloride, Cocotrimonium Methosulfate, Sodium Lactate, Panthenol, Parfum, Phenoxyethanol.
